

Note that this is baseline pricing, I often times vary from this based on the needs of the student/parents. I am very flexible and will work with you to create sittings and images that meet your needs. When booking a shoot, a deposit of 50% of the sitting fee is due at that time, with the remainder due on the day of the shoot. Cancellations within 30 days of the scheduled shoot will result in the forfeiture of 50% of the deposit. Sometimes weather or other factors can cause delays and reschedules, that is not a problem and we can work around these types of issues.

Prior to shoot: I will meet with you to discuss ideas and get to know the student prior to the day of the shoot. I will also discuss what you are hoping to get out of the shoot with regards to the final product and how you plan to display those ideas. Come with ideas of your own that we can incorporate into the session. I ask clients to look at other shots and poses on-line, in magazines, from other shoots, etc. and make note of those they like. These are your pics, have fun with them and do what you like! Popular shooting locations in the Jefferson City area include the Katy Trail, The Governor's Gardens, the Missouri River Noren Access, Downtown, the Central Missouri Master Gardens, Binder Lake, Runge Nature Center, etc. I can also shoot at private locations that you may have access to as well (farms, river or lake areas, hunting areas, etc.). Sessions with shooting locations farther than 15 miles from Jefferson City will require additional round trip mileage fees of \$0.50 per mile.

Post shoot: After I have had a chance to review and edit the pictures (10-14 days max), I will post an on-line proof gallery and send you a digital file with thumbnail proofs to review. I will then set-up a time to meet with you and go over the pictures. I can help you decide on which pictures to choose and methods of presentation, i.e. best crops for framed prints, canvases, metal prints, etc. I will bring examples of items to look at during this meeting to help you decide. I will take care of ordering and receipt and then hand deliver your items to ensure they are what you want. A \$75 deposit will be required at the time of ordering with the balance do when they are delivered.
